~~~~PURCHASER AGREES TO THE FOLLOWING: ~~~~

1. Under no circumstances will this kitten be sold or given to another party without the written consent of the breeder.
2. This kitten is being sold as an indoor-only cat. Leaving out without control is strongly prohibited.
3. With the kitten is European Passport with noted vaccination, testing and deworming and Croatia Official Certificate of Veterinary Inspection showing that the kitten is judged to be in good health at the time of sale or shipping kitten.
 Sometimes the stress of going to a new home does have temporary effect of the immune system, lowering the cat's resistance. If the kitten should become ill within seven (7) days, the Buyer agrees to call the Seller immediately. If the kitten is ill from disease incubating at the time of purchase and needs treatment, kitten shall be returned to Seller and medical care will be provided through Seller's veterinarian at no cost to Buyer. If the kitten does not become well within 30 days, Seller will replace the kitten with the next available animal of like value if the Seller is still in the business of breeding cats.
4. The breeder agrees to provide the purchaser of a Pet or Show quality kitten/cat with registration papers from FIFE upon pet release and an original NEUTER/SPAY certificate from a Licensed Veterinarian*.

NOTE: Do not allow kitten to be given Keraset/Ace anesthesia combo ever for any reason. Health Guarantee void if kitten has had this combination. We strongly suggest Isofluramine as the anesthetic of choice. Make sure your Vet is aware of this request. Tell your vet before any procedures.

5. This kitten is guaranteed to be free of Genetic defects for two years after purchase. If said kitten should die within that period from Genetic defect a replacement will be given after an autopsy has been preformed at the owners expense.

6. The Seller certifies that all cats in our breeding program are negative for FELV (Feline Leukemia) and FIV (Feline Aids). We strongly suggest that you DO NOT have your kitten vaccinated for FELV (Feline Leukemia) or FIP (Feline Infectious Peritonitis) - mortality is high for kittens. Please make sure your Vet sees this contract and understands this clause.

7. Buyer will be responsible for resale of kitten/cat if (s)he chooses not to keep said animal for reasons other than health. Seller will assist in placing kitten in a new home when requested. Seller reserves the right of first refusal for the above stated cat at a 50% lower price than sale price.

8. Seller reserves the right to cancel a sale of any kitten to a buyer before relinquishing FIFE registration forms for any reasonable cause; such reasons could include: inability to maintain a future relationship with said buyer of kitten due to any misunderstanding during purchase transaction, verbal abuse or disrespectful treatment towards breeder, or animal abuse displayed towards ragdoll kitten being purchased.

9. The Buyer of a kitten used for breeding will receive registration papers and a copy of parents pedigree within 90 days of date of purchase, or within 120 days for pet/show kittens. Fertility is guaranteed in breeding cats. If said cat fails to produce offspring due to a physical problem within 2 years of purchase, a replacement of equal value will be given after certified documentation has been received from a Licensed Veterinarian stating the nature of the problem.

*** If kitten is purchased as a pet or show, the seller will have the kitten altered before releasing to buyer.**

****Seller will void health/genetic guarantee if kitten/cat is declawed, even is possibility breaking contract and returning kitten to Seller without compensation. Buyer have to providing responsible care for the animal, including proper nutrition, flea control and proper veterinarian care. Seller will show Buyer alternatives to declawing. If you have questions, please ask us.**
